ANNUAL GENERAL MEETING

At the last committee meeting of the Seafield Community Police Forum (CPF) held on 2 August 2018, it was decided that the September meeting would be the Annual General Meeting and all the residents who fall within the boundaries of this sector are invited to attend the meeting to discuss any matters pertaining to the safety aspects of the area. This is not an election meeting. The new committee will only be elected in September 2019.

At our last committee meeting Gene Pancoust was invited to attend in order to inform the committee about the WhatsApp group which she had set up on her cell phone in order to inform residents of any emergency, or to notify them of anything suspicious, which had now spiralled out of control and needed to be put on to a more professional footing. Mr Clinton Millard from Multi Security offered his help and assistance in organizing this and liaised with Gene. After which a Kleinemonde 911 **emergency group** has been formed.

Please make every effort to attend the AGM of the CPF on **Thursday, 6 September 2018 at 14:00 in the Kleinemonde Recreation and Sports Club Hall.**
